

HURON COUNTY PRIDE PRESS RELEASE

FOR IMMEDIATE RELEASE

Huron County Pride Supports “No Hate in Huron” Movement

Huron County Pride is in full support of the “No Hate in Huron” movement, and explicitly and emphatically denounces neo-Nazi movements and organizations in Huron County and throughout Canada.

Our values as Huron County Pride include integrity, inclusivity, and intersectionality, promoting a positive community in which all are welcome and nobody is turned away for being part of a minority. While Huron County Pride’s work focuses on 2SLGBTQIA+ issues, our care and commitment also extends to others in our society who are being marginalized and attacked.

As such, Huron County Pride is against any neo-Nazi or White supremacist organizations and rhetoric in our communities. We denounce the Great Lakes Active Club with their white supremacist rhetoric, and the proliferation of Nazi and “White Lives Matter” symbols. Hate speech and actions such as these have no place in Huron County. We need to be a place that is committed to inclusion, welcome, and safety for all.

As we make this statement, we call upon other organizations and governments to stand in solidarity with our marginalized siblings, and offer support to the “No Hate in Huron” group, which is actively striving against hate and white supremacy in Huron County. We at Huron County Pride support and celebrate the “Community Cabaret 4 Caring and Camaraderie”

being hosted by No Hate in Huron on November 23, 2024, held at Branch 109 of the Royal Canadian Legion in Goderich. We look forward to collaborating with No Hate in Huron in the future.

Let us all use our voices and actions to stand up against hate, and stand with our inclusive, diverse, and loving communities.
