

Dear municipal candidate,

No Hate in Huron is a grassroots network of Huron County residents and supporters working through community building, education, and advocacy to resist discrimination, white supremacy, white nationalism, and neo-Nazi activity in our communities.

Ahead of Ontario's municipal elections on October 26, 2026, we are inviting every candidate for municipal council in Huron County to provide a brief public statement in response to the following question:

If elected, how would you help your municipality and the wider Huron County community address discrimination and organized hate, including white-supremacist, white-nationalist, and neo-Nazi activity?

This question reflects concerns that have arisen locally, including the appearance of white-supremacist propaganda and reported neo-Nazi activity in and around Goderich.

Please submit a response of no more than 150 words by October 2nd, 2026 at 5:00pm. You may reply directly to this email or use our short submission form: [\[link provided\]](#).

No Hate in Huron intends to publish the responses as a public educational resource. Every candidate is being asked the same question and given the same deadline and word limit. Responses will be presented without endorsement, ranking, or evaluation. We may correct minor spelling or typographical errors, but we will not otherwise edit a response without the

candidate's permission. Candidates who do not respond by the deadline will be listed as "No response received."

By submitting a response, you consent to its publication alongside your name, municipality, and the office you are seeking. Please contact us if you require an accessible alternative for submitting your response, or if you have any difficulties accessing the submission form.

Thank you for taking the time to share your position with Huron County residents.

Sincerely,

No Hate in Huron
